Date of Release: 8 October 2018

Approved by: Chair of Central NSW Joint Organisation, Cr John Medcalf, Mayor of Lachlan Shire Council

Central NSW Joint Organisation appoints Executive Officer.

The Chair of the Central NSW Joint Organisation is pleased to announce the appointment of Ms Jennifer Bennett as the Executive Officer. Joint Organisations are a new initiative under the Local Government Act to deliver better outcomes for our communities.

"Having a top notch Executive Officer is very important for our Joint Organisation. We undertook an independent process and had a strong field of candidates who were keen to explore the new opportunities for our communities offered by our recently proclaimed Joint Organisation," said Cr John Medcalf, Chair of Central NSW Joint Organisation.

"It was an unanimous decision of the Board and recognises the experience and capability of Ms Bennett."

"With her leadership we are now undertaking planning, so the Joint Organisation will turbo charge the great results this region has seen from our decades of collaboration," Cr Medcalf said.
