Re: Sydney Airport Master Plan 2039

About the Central NSW Joint Organisation and Centroc

On 11 May the NSW Governor General the Hon David Hurley, Proclaimed the Local Government Regional Joint Organisations under the Local Government Act 1993. While early days, this region sees great opportunity through having a more formalized role under the Local Government Act. Ultimately, building on the successes of Centroc, we hope to work more closely with the State Government on opportunities for this region. Central NSW Councils (Centroc) represents over 158,000 people covering an area of more than 47,000sq kms comprising the Local Government Areas of Bathurst, Blayney, Cabonne, Cowra, Forbes, Lachlan, Oberon, Orange, Parkes, Weddin, and Central Tablelands Water.

Centroc's vision is to be recognised as vital to the sustainable future of NSW and Australia. Its mission is to be recognised as the lead organisation advocating on agreed regional positions and priorities for Central NSW whilst providing a forum for facilitating regional cooperation and sharing of knowledge, expertise and resources. For more advice on Centroc programming and priorities, please go to our website <http://www.centroc.com.au/>

This region welcomes the opportunity to provide input for Sydney Airport Master Plan 2039, and continues to maintain a watching brief over the Regional slots at Sydney Airport. This region urges that there be no change to access arrangements for Regional airlines and supports the additional swing piers and other infrastructure to support air travel for regional passengers.
